

February 2020 Update

“Hey guys, this is Jeremiah and Stacey from Locally grown just dropping a few lines to let you know how things have been going with the youth! In December, we were honored to get a chance to bring the kids to the nursing home in Midway. (We definitely want to do this again!) We made the residents cards and brought in homemade cookies. We got a chance to deliver the cards and cookies to all of the four different living quarters they had. We also had a time of fellowship and ministry where we played bingo with the residents. They loved it and the kids did too! We gave out prizes for the winners and made sure everyone “won.” There were some really sweet moments during the game time where the kids sat down next to the residents and helped them play. It was a wonderful time of seeing Jesus’ love on display through the kids. We were proud of them and how gentle and helpful they were. It was a wonderful time of ministry and the kids really enjoyed it.

We also had a pretty amazing Christmas party! We brought all the kids together to celebrate Jesus and enjoy a special time of fellowship. We had pizza, candy, cookies, and a BIG chocolate fountain! We played some really fun games and also had a gift exchange. It was a special time together. We really want to help them develop that core group of friends that all believe in Jesus and look to encourage each other.

We are looking forward to this new year with the kiddos! We plan on taking a trip to the Centerstone foster home in Louisville at the first of this year. We will keep you posted! Thank you SO much for all your prayers and support, we believe we are all working together to impact these kids not just right now but for the rest of their lives.”
