Disciples Women Prepare for Annual

Rummage Sale

Work is under way by the Disciples Women for their annual rummage sale, September 15 & 16 from 8 am to 6 pm and September 17 from Noon to 6 pm. On September 12-14 at 6 pm each night they will be in the basement of Fellowship Hall preparing items for the sale.

Disciples Women use the proceeds from the sale to fund various mission projects. Last year was a record year. Disciples women received over \$2,700 and they donated all proceeds over \$1,500 to the HVAC Fund. This year they have designated any proceeds over \$1500 to go toward the Future of the Faith campaign.

You may bring your items to the church during office hours or call Etta to set up a time. Items should be placed in the furnace room in the basement of Fellowship Hall. After September 3 you may place them in the main area of the basement.

If you have any questions or need someone to pick up your items for the sale, please call Etta Manor at 502-863-6460 or 859-229-8628.

If you would like to help at the booth, please contact Heather for a date and time.

A Pastoral Word

Wow! Has it really been a month already since I started at Midway Christian Church? So much has happened in my life and in the life of this church! Mike and I have finally settled into the parsonage and I believe we have unpacked the last box! Yeah!

All the animals have also seemed to settle down into their new home. Jake, our dog, loves his walks around Midway and all the new smells! The cats, being cats, gave Mike and I the cold shoulder for the first few days but now greet us every morning by walking on our faces and chest, reminding us that it is time to eat!

I also believe that the animals are just as thankful as Mike and I are that things have finally settled down in the McColl household and Bubba, our 18-pounder of a cat, is just as happy that he can get to his food!

One of the things that I am most looking forward to being in the town of Midway is really being a part of a community. For the last four years, I have felt rootless and disconnected. This feeling was also a part of my spiritual life. Where could I call home? Who could I call my family? I was on a pilgrimage, searching for a place, hoping to make a connection with someone. It was like I was cutting from a plant, placed in a glass of water to grow roots, but not really in a permanent place where I could grow, expand and dig my roots into the nurturing soil and flourish!

But now, I feel like I have been taken from my glass and planted by the Gardener into an area filled with nutrients and fertile soil. This fertile, nurturing soil is called Midway Christian Church! And what fertile soil it really is!

It truly has been an amazing month for Midway Christian Church filled with new visions and new beginnings. Each day when I

come to work, there is something new and exciting going on with the renovation. And the offices and entry way are freshly painted, giving the sense of welcome and openness. It's like it is a brand new building!

We have also done so much in this month: new pastor, new elder serving at the table, celebrating Midway College Sunday by welcoming 40 young women to our community, and a wonderful combined service with 2nd Christian in the park! There is such great energy and excitement around this place and around this congregation. There is new life budding at Midway Christian Church!

And now it's time to share that new life with others in our community. We have been nourished by the fertile soil that we call Midway Christian Church but there are others who are searching and hoping to make a connection with someone. Invite someone to place his or her roots here. Share the Good News with someone who is on his or her own pilgrimage of faith. Give someone the opportunity to be nurtured by Midway Christian Church!

May we continue to grow in love, faith, peace and hope.

Children's Ministry

Children's Worship and Wonder

Children's Worship and Wonder will be starting soon. We are very excited about this, and would like for you to join us in celebrating its beginning. We will have a dedication of the room on Sunday, September 24 and hope that you can come. The next week, we will have several opportunities for children and their families to come see what Worship and Wonder is all about. Then, on October 1st, we will have our first service of Children's Worship and Wonder. The first several will only be an introduction to the rules and structure, but we hope that all of the kids can come and be a part of this time of worship.

As you can see, things are really starting to come together for our Children's Worship and Wonder program but we still need your help! We still need to acquire some of the stories that go along with this program. The prices of the stories vary in range so that there is an opportunity to give at all levels. This is also a wonderful opportunity to give creatively! These stories can be purchased as an alternative giving experience for birthdays, anniversaries, and Christmas. These stories can also be purchased in honor or in memory of people.

There is a list of stories that still need to be purchased in the narthex along with the prices of these stories. We have also placed an example of a story in the narthex so that you can see how the children will experience these stories.

Thank You

Dear Midway Friends,

You all have "swept us away" with your love and kindness! We have so enjoyed the last five months being with all of you. You will always mean so much to both of us. Thank you for all the good times—the beautiful worship services, the pretty solos and choir, great meals, good meetings, all the fun at the auction, the Lenten breakfasts, being with CWF'ers at the Spring Conference, and on and on! Good times! We won't forget!

Thank you, thank you for the nice going away gift. We will enjoy being at Holly Hill again! We really appreciate this most generous gift.

Our love and best wishes to you as you begin together a new period in the life of Midway Christian Church.
