Disciples Women Record Breaking Rummage Sale

The Annual Rummage Sale was over flowing with items this year. The Disciples Women would like to thank everyone for their support for the Annual Rummage Sale. They would like to extend a big thank you to everyone who donated items, sorted items, priced or sold items. The church really came together and supported this ministry.

Because of all of your hard work and generosity, we again had a record year— our total was \$3,582.55! The Disciples Women had decided that anything above \$1500 would go towards the painting of the church. So thanks to the generosity of our church members and the community, the Disciples Women are able to donate \$2,000 towards the painting of our buildings!

Ten Thousand Villages

I want to say thank you to everyone for their

support of the Ten Thousand Villages Booth this year at the Fall Festival. It was wonderful to see so many people enjoying the great stuff that the organization sent us to sell. We will set up the remaining items in the Fellowship Hall if people are still interested in buying items before we have to ship them back. All checks need to be made to Midway Christian Church and there is 6% sales tax on each item. This is a great opportunity for Christmas shopping! As of right now, we have sold over \$1,500 worth of merchandise and the church will receive \$150 profit that will go towards the Future of the Faith campaign.

Midway News

Member Spotlight:

Ray and Jeanne Clark

Jeanne first attended Midway Christian Church in 1998 and became a member the following year. In addition to being our Treasurer, she is a Deacon, prepares Communion, manages the church Web site, serves on the Finance Committee, and recently joined the Hand Bell Choir. Jeanne was born and raised in Pikeville, graduated from EKU with a degree in Medical Assisting, then moved to Lexington. After several years working as a medical assistant/laboratory technician, she returned to school to earn a degree in Computer Information Systems, and now works as a data manager in the College of Pharmacy at UK.

Ray first came to Midway Christian with Jeanne over three years ago and joined our congregation earlier this year. In addition to assisting Jeanne with Communion preparation, he oversaw the printing of our most recent Pictorial Directory, serves on the Finance Committee, and is also a new member of the Hand Bell Choir. Ray grew up in Jamestown, PA. He graduated with degrees in Physics and Electrical Engineering from Wittenberg and Case Western Reserve Universities respectively, and then came to Lexington to work for IBM. He became a Lexmark employee when IBM sold its printing division, and currently works as software engineer helping to develop color laser printers. This year he celebrated 25 years of combined service.

Together, Jeanne and Ray enjoy snow-skiing, having met at a ski club meeting, and ballroom dancing. They also like theatre shows, outdoor concerts, and traveling. Their journeys include Italy and Hawaii, cruises to the Caribbean and Alaska, and many snow-skiing destinations in the western U.S. In July of this year, Jeanne and Ray were married by Rev. McColl at Midway Christian Church. They live in Mallard Point in Georgetown.

“The Homeplace” Update

A Continuing Care Retirement Community located beside a private liberal arts college and flanked on its other sides by an elementary school, a city park, a horse farm and a residential neighborhood.

Services:

The proposed menu of settings includes skilled nursing care, licensed personal care, and assisted living. There is no independent living component contemplated due to the limitations presented by the site.

A central element of the program design-closely tied to the structural layout and design-is the elder care philosophy known as the Green House. Christian Care is committed to leading the way among Kentucky’s long term care providers in replicating this model here. Several regulatory variances will be necessary, but the state officials responsible for making decisions about this have indicated their willingness to approve the needed variances. Christian Care also embraces and upholds the importance of sustainable energy design as responsible stewards of the earth, and the project will reflect this commitment as well.

Proposed Program:

Opportunities will abound for residents to participate in lifelong learning programs via the college; for alumni to return to the site of their beloved alma mater; for students in nursing and the social sciences who are interested in elder care to engage in experiential learning programs; for faculty to undertake research projects in the emerging, interdisciplinary field of gerontology. Additionally, the elementary school flanking the other side of the property offers a wealth of opportunities for developing intergenerational programs linking young students with residents in ways that will benefit both. Because Midway College has one of the nation’s most respected collegiate equestrian programs, this sets the stage for possibly developing therapeutic programs connecting residents and horses, too.

For news about the project as it continues to unfold, check out www.christiancarecommunities.org or stop by Midway City Hall!

Sunday School

Through the month of October, we will continue our discussion about Paul, his writings and his journeys. Paul is probably one, if not the most influential apostles, but is often misunderstood. We will take a look at Paul's background and then will take a look at where he traveled and the churches that he helped found.

Children's Sabbath

Sunday, October 19th

On Sunday, October 19th, we will be celebrating Children's Sabbath in worship. Special music is planned by our Children's choir and our children and youth will give leadership to our worship that day as we explore ways the church can become advocates for children. The theme for Children's Sabbath this year is "When Will We Hear Dr. Martin Luther King, Jr.'s Call to End Poverty in America?" This year also celebrates the 35th anniversary of The Children's Defense Fund. Please come join us for this very special worship service.

Collecting Hygiene Kits for Church World Service

As residents of Gulf Coast towns in Texas begin to dig out from the devastation of Hurricane Ike, humanitarian agency Church World Service in partnership with Week of Compassion is issuing an urgent appeal for badly needed CWS Kits, and for donations to help purchase recovery supplies locally. Midway Christian Church will be collecting supplies to make Hygiene Kits throughout the month of October to help out with this effort. To assemble a Hygiene Kit you will need:

- *One hand towel measuring approximately 16"x 28"
- *One washcloth
- *One wide-tooth comb
- *One nail clipper (no metal files or emery boards)
- *One bar of soap (bath size in wrapper)
- *One toothbrush (in original packaging)
- *Six Band Aids

Seal all items in a one-gallon plastic bag with zipper closure and include \$2 for shipping.

There will be a basket in the narthex to collect these bags. If you are not able to donate items to make a kit, you can also donate \$11 and the money will be sent to CWS so that they may buy the supplies to fill a kit.

Community News and Notes

Thank You...

To all those who participated in my 80th birthday celebration - thank you. It was a joy to go in Fellowship Hall on the 10th of September and see so many smiling faces of family and friends. I was surprised. The tables and flowers were lovely and the food was excellent. The Proclamation from Mayor Tom Bozarth, read by Councilwoman Charlann Wombles, and the certificate and messages from Midway College were much appreciated. Because of a church members' thoughtfulness, my "beautiful" children were able to donate a gift to the Midway Christian Church Endowment Fund, in my honor.

To all those who sent and gave me beautiful and novel birthday cards, thank you. I do like cards.

It was a great party and I enjoyed every minute of it. Thank you, thank you, thank you!

Pat Wilson

Thank You...

Dear Midway CC Family,

Thank you so much for all the love you showed me during my last week with you. Your kind words at the breakfast, the love offering, and especially the painting of the church building. It is hanging in my living room and I will always treasure it—almost as much as I will treasure the memory of my time wit you.

Wishing you all the best!

Peace,

Amanda Hatfield
