Everyone is invited to bring a side dish, salad, or dessert to share with everyone. The church will provide the meat and drinks.

Summer Series: Think Globally, Act Locally

We are looking at doing VBS a little differently this year. It will be intergenerational and we will meet one night each week for three weeks during the month of July. One week, June Mitchell and Wilda Caudle will be talking to us about canning and will be teaching us how to make freezer jam. Another week, we will go to God's Garden, the community garden of the Catholic Action Center. And the last week, Janet Mullins is going to do a nutritional/cooking class on "What to do with our summer veggies? Look for more information to come. However, to get ready for the series, please start freezing strawberries if you want to make strawberry freezer jam. They will not be in season in July. We will also be using other fruit but strawberry freezer jam is a favorite!

Okay, now that is done... time for updates and conversations. Many of you want to know how the adoption process is going. Well, it's going. Everything is turned in and now we are waiting. Mike and I wanted to wait until after the holidays, wanted to wait, knowing that this past February, Sarah has been gone six months, to have our profiles shown to potential birthmothers. Both Mike and I feel like we are in a good place now and have agreed to have our profiles shown to a few birth moms but we were not chosen for some reason or another. And we are okay with that. We know that Sarah is picking out her brother or sister (or both!) for us and when she is ready, she will send him or her or them our way. And we are okay with that.

The other news that I wanted to share with you is that I have agreed to serve as interim President, then President for District 5. I began the interim period in late April and will officially be installed at our District Assembly in October. I ask for your prayers and blessings as I take up this mantle of leadership.

I just wanted to say thank you for your continued prayers and all of your love as Mike and I take this journey with you.

Heather

Sunday School

Beginning on Sunday, May 16th, and for the summer, we will be taking a look at the Book of the Prophet Isaiah. As Christians, there are many passages from Isaiah that we interpret through the lens of Jesus Christ: *"For a child has been born for us, a son given to us; authority rests upon his shoulders; and he is named Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace. His authority shall grow continually, and there shall be endless peace for the throne of David and his kingdom. He will establish and uphold it with justice and with righteousness from this time onward and forevermore"* and *"But he was wounded for our transgressions, he was bruised for our iniquities; upon him was the chastisement that made us whole, and with his stripes we are healed."*

The book of Isaiah appears to be one single unit by one single author but in reality the book of Isaiah has at least two, maybe three authors. The book of Isaiah is one of the books that most of us turn to in times when we need to find hope once more as God's people. The imagery, the language, the inspiration that can be found in the words of the prophet Isaiah are what makes this one of the most beloved books of the Bible.

So come, join us on Sunday mornings for Sunday School which begins at **9:30 a.m.** with sharing of joys and concerns.

Green Chalice Ministry Team

The Green Chalice Team is working on organizing a Rain Garden for Midway Christian Church. They are working with the GreenSpace of Midway Renaissance to get their expertise and advice. Bob Rathbone, head of the GreenSpace committee, came to look at our site and said that it was a great space. The Green Chalice Team is looking at putting the Rain Garden on the side beside the Fellowship Hall as an extension of the existing flower garden.

What is a Rain Garden? A rain garden is a garden with a shallow depression which is strategically located on a property to capture stormwater runoff from impervious surfaces, such as rooftops, patios, driveways, and parking lots, before it enters the storm water system. The water is held by the garden and allowed to slowly infiltrate the soil. The soil and plant roots use natural processes to improve water quality by filtering pollutants, the overall amount of stormwater runoff is reduced, and the groundwater supply is recharged.

Why is stormwater a problem?

Most modern American cities are built in such a way that when it rains, all of the water is directed immediately into storm sewers via gutters, curbs, and ditches and then out into nearby creeks and streams. On its way to the stormwater system, the rain water picks up pollutants such as motor oil, grease, pet waste, fertilizers from lawns, and other toxic substances. The water then rushes out all at once from storm sewers, severely eroding the banks of the creeks it is directed into and bringing all of the pollutants from the city into the water. This is called non-point source pollution.

Meals on Wheels

Many thanks to the Meals on Wheels team that served the week of April 26: Phil Burchell, Pat Wilson, Priscilla Crutcher, Phil & Nancy Dare, Buddy & Gertrude Johnson. The next delivery is May 24.

May Mission Payments

The Midway Nursing Home Task Force was formed ten years ago when the need for a nursing home for Midway arose. This group has been working diligently to achieve this mission. Now the Task Force has teamed up with Christian Care Communities and are in the process of making that mission a reality.

Boy Scout Troop 40 was started at MCC in the 90's and has become a wonderful mission of the church. The Boy Scout Troop has helped the church on many occasions with mission projects, yard work, and out-reach in our community.

5th Sunday Offering

The month of May will be a month with a fifth Sunday, and that will be a time when we will take up a special offering for the Homeplace project under the Christian Care Communities of Kentucky. We decided to take up this "above and beyond" mission because the Homeplace is so important to our community. So throughout 2010, in months that have 5 Sundays, on that fifth Sunday, there will be special offering envelopes in the bulletin. This month, we will be doing this on **Sunday, May 30th**.

Consecration Sunday

Sunday, May 16

As we continue to live out our vision of becoming a more Christ Centered, welcoming community of faith, we realized that part of achieving this vision is becoming better stewards of the generous and plentiful gifts and resources that God bless us with as people of faith.

The Finance Committee is asking that you place your pledge and talent cards in the offering plate on Consecration Day, May 16, as a sign of your commitment and your response to God's grace that has been shown to you as a child of God.

Disciples Women

Sunday, May 16

Disciples Women will meet Sunday, May 16 at 12:30pm in Fellowship Hall. This is an important meeting to close out our year and make future plans. Lunch will be provided.

Thanks to everyone who came and supported our program on April 18 with our speaker Dr. Nadia Rasheed.

Special Pentecost Offering:

This offering, divided evenly between your region and New Church Ministry, helps to fund recruitment, coaching and training of new church ministers. By *Expanding the Table*, you and New Church Ministry are reaching out to serve multitudes and to share God's message in new ways. We will take up this special offering on Sunday, May 23rd.

Thank You...

On behalf of the family of James William Redden, who died April 14, 2010 at his home, I wish to express our appreciation to our church family for all the ways you expressed your love and concern for us. We thank you for your prayers, telephone calls, beautiful cards, visits, flowers, your presence at the funeral, and the lovely lunch after the funeral. We were so blessed to have your support during this "tender time of parting."

Continue to keep us in your prayers.

~Lois Redden

Collecting Books and Purses for Quadrennial

One of the projects for Quadrennial is that Disciples Women will be collecting gently used books (adult and children) and gently used purses to donate to a local women’s shelter in Greensboro. Please bring these items in through the month of May. The women (Pat Wilson, Shirley Eckels, Etta Manor, and Adele Dickerson) will take these items to Quadrennial in June.

Message from the Finance Committee:

As of the first of May, the income needed from donations to satisfy our present budget is \$139,324.40 - we have received: \$ 133,423.58, \$ 5,900.82 below that amount in donations. In addition, our spending for the year is \$ 141,362.70, \$ 2038.30 more than we expected to spend. Be assured that the Finance Committee continues to examine all church expenditures in hopes of cutting costs where possible. Midway Christian has been able to do some amazing ministries with our local community because of the time and talents that our members have already generously given and we want to continue being able to do so. We are asking that everyone prayerfully consider continue giving to the church as a way of being good stewards with the gifts that God has given us. If you have any questions, please see Amy Perry or anyone from the Finance Committee: Dan Roller, Ray Clark, Nancy Dare, Mary Sayre, and Jeanne Clark.
