A Pastoral Word

Seeking the Messiah...

“G.F. Handel wrote his famous oratorio, *Messiah*, in 1741 in only 24 days. During the Lenten season, we will be spending nearly twice that amount of time (47) contemplating the wonderful music and the marvelous messages from Scripture that come from this classic work.” (Messiah: Daily Devotionals for Lent)

On our journey through Lent, our theme will be: Seeking the Messiah. We will do this by taking a look at various Scriptures and singing music during our worship services and Sunday School time, all which recall the promises of God’s Messiah for God’s people. We are doing this because each one of us has our own images, beliefs, concepts of who the Messiah is for us as people of faith and hopefully through our seeking, we will gain a better understanding of how these concepts and images can be found in the person we call Jesus that we proclaim as our Lord and Savior. The term Messiah means “Anointed One” and refers to the one that was to come that would fulfill the promises of God, that would redeem the people of God and bring wholeness to them once more. The concept of the Messiah occurs both in the Old Testament and the New Testament and is part of our tradition as people of faith. As Christians, we see through the lens of the resurrection that Jesus is God’s Anointed One, the one we call Christ, the one who died on a cross and gave his life so that we might live eternally. This is why we proclaim him to be our Messiah, the one who redeems us, the one who nourishes us, the one who makes us whole through the gifts of grace and love.

We begin our Lenten journey on Sunday, March 13th. So here is some background on the *Messiah* to help prepare us for the journey:

“George Frederick Handel was born into a music-loving family in 1685 in Halle, Germany. In 1710, he settled in England, where he composed music for the king while also writing and producing Italian operas. He lost large sums of money on the lavish productions he mounted. Penniless, he decided to return to his native Germany, but first he fulfilled an obligation to write an oratorio in English to raise funds for Irish orphanages.

His close friend, Charles Jennens, gave Handel a libretto for a new oratorio. Now, an oratorio differs from an opera in that it is performed as a concert without stage, sets, costumes, or dramatic action. It is usually based on Scriptural texts. The oratorio proposed by Jennens had three parts-Jesus’ birth, His death, and His resurrection.

During the 24 days in which Handel composed the work, he wrote feverishly, barely touching any food or drink. Each of its three parts includes a series of solos and choruses, each based on a Bible passage. The first performance of his *Messiah* on April 13, 1742, in Dublin, Ireland, conducted by Handel himself, was a huge success.” (Messiah: Daily Devotionals for Lent)

Switching Day Off

Since the arrival of Hannah, Mike and Heather are figuring out a schedule that best works out for their family. And what they have discovered is that it works best if Heather takes Friday as her day off, so Heather’s day off is switching from Tuesday to Friday.

Sunday School

Beginning on Sunday, March 13th, and through the Sundays in Lent, Karen Murphy will lead a Sunday School on the texts and music of the Messiah. The good news is that you do not need to be an expert on the music or the text to

benefit from the class. All you have to do is want to seek the Messiah on your Lenten journey and want to gain a better appreciation of one of the best loved pieces of music of our time.

Sunday School starts at 9:30 a.m. with the sharing of joys and concerns.

There is children and youth Sunday School as well. Ouita Michel leads this class for our children.

We are also looking for people who will help Ouita give leadership to this important ministry for our children and youth.

Disciples Mission Fund: The Disciples Mission Fund builds a foundation enabling Disciples to globally share the good news of Jesus Christ. This common fund allows the Disciples to pool their resources accomplishing a greater ministry. One congregation could not achieve this alone. Disciples Mission Fund allows a process for whole church stewardship supporting God-given missions at home and world-wide. They live their theological understanding of Christ's prayer "that they all may be one." As a faithful growing church, Disciples demonstrate true sense of community, deep Christian spirituality and a passion for justice.

Week of Wonder: Adult Work Camp

May 29—June 3, 2011

Week of Wonder is a mission opportunity for adults to come to Christmount, help prepare for the summer, and watch the wondrous transformation of the grounds from the ravages of winter into a place where lives are changed for Christ.

Each summer, Christmount hosts hundreds of youth and adults for camps and conferences. Christmount relies on volunteer workers, both youth and adults, to help maintain the camp and conference areas, trails, playgrounds, worship areas, and buildings. These volunteers enable us to offer lower-cost camps to children and youth as well as camper scholarships.

The cost is \$140 per person, which covers the cost of meals and housing.

All volunteers are asked to bring an offering of medical supplies or canned food.

Information from the Trustees

Midway Christian is very fortunate to have an Endowment Fund which was established in August of 2007 through the generous gift from Dorothy Gordon. As stated in the Endowment Fund Policy, the primary purpose of the Fund is "to expand the witness and mission of Jesus Christ, serving human needs in our community and around the world." In keeping with this purpose, the policy allows an annual withdrawal for outreach-related improvements, equipment or programs. At their January meeting, the Trustees made a decision to make available up to \$4000 for such outreach projects. Written requests from the congregation for outreach projects which are not already included in the church annual budget must be submitted by May 1, 2011. The requests will be reviewed by the Trustees who will make recommendations to the Midway Christian Church Board which will have the final approval of the projects funded.

If you have questions, contact one of the Trustees: Phil Burchell, Adele Dickerson and Bob Rouse.

Green Chalice Ministry

The Midway Green Chalice Group and the Midway Greenspace Committee of the Midway Renaissance Program held a joint meeting on January 26 and discussed plans to create a bicycle-friendly environment in Midway. The groups are exploring getting bicycle racks to be placed in several locations, including one on our church property. For regularly scheduled weekly rides of the Bluegrass Cycling Club, we will open the Gratz Street entrance of the church basement for the cyclists to use restrooms, fill their water bottles, etc.

Bicyclists enjoy riding around the Midway area and often stop for lunch at one of our great restaurants. Later, many return with their families for shopping and more eating!!

Green Chalice Meeting

The CCKY Green Chalice will meet March 21 at Midway Christian at 6:30pm in Fellowship Hall. Everyone is invited to bring a sack supper and we will provide tea, water, etc. This is a great opportunity to meet other members of Green Chalice from around the state, right here in Midway!!

Midway Christian Ministry Teams

Update from Finance Committee

The Finance Committee met on Sunday, February 13th to review and discuss the general and restricted funds of Midway Christian Church.

Part of the new business that was brought up at the meeting was the purpose and function of the Restricted account that is called Youth Fund. After much discussion, the Finance committee decided that the Youth Fund would be renamed Youth Mission Fund and will be used to help supplement the cost of the youth mission trips for the youth of our church. These funds are also available and can be used as scholarships for activities for various church-related youth functions like outings, Regional retreats, and fellowship opportunities and is available to all of our church families.

If you have any questions about the work of the Finance committee, please see Phill Burchell.

Update from Building and Grounds Committee

The Building and Grounds Committee met on Wednesday, February 19th to discuss various projects around the church. The committee looked at various projects around the church that needed to be completed this Spring:

- 1) **Move chain link fence behind main sanctuary** to a parallel line south of the current fence to allow vehicle and lift access to the rear of the building, trees, etc. in the area. Relocate gate to the fence line nearest the parsonage, move playground access from Church Street to northwest corner of playground.
- 2) **Move tool shed** to southwest corner of playground, with door facing north.
- 3) **Rent lift to:**
 - Clean gutters**
 - Repair gutters** according to plan from last year
 - Trim dead limbs from oak tree, possible topping of pine trees** (Pines have been topped before, causing large structures at top that support vultures, these structures would be removed)
 - Repair/rebuild box gutters at rear of sanctuary** (has been needed several years, cause of leak in library)

The Church continues to do these types of projects through the help of donations to the Capital Fund. As of right now, there is a negative balance to this fund. Donations are always welcome towards this fund so that we can be good stewards of our building by ensuring that it is around for many generations to come to serve the Midway community.

Memorials Committee

We are looking for a chair for the Memorials Committee. Marjorie Diamond graciously served in this position for many years and due to her passing, the chair for the Memorials Committee is empty.

The purpose of the Memorials Committee is to help keep track of all the memorials given to Midway Christian Church and provide the church with list of suitable and useable gift memorials to fit the church needs. Also it is the responsibility of the Memorial Committee to acknowledge the gifts received by the church and to inform the family with a list of donors. If you are interested in being chair, please call Heather.

Dear Midway Christian Church Family,

We want to thank each one of you for the many kindnesses shown to our Mother and to our Family. This great church and all of you have held a special place in our hearts for many years down through many of our family members. You were very special to Mom and she loved each one of you.

After the service, the meal you provided help us with a very hard day. After thirty years of being with families during such times this was the first time it has happened to me, especially to one so close. We all knew this day was coming but we were not prepared. She will be missed by all of us.

We cannot say enough to you or to Rev. Heather McColl for all you did for each of us. You have been blessed with a loving and caring minister, and it is evident that you are a loving and caring congregation.

Again, let me say a hearty "Thank You" to each one of you and wish you all God's speed, and may His blessings be poured out richly upon each one of you. Long may Midway Christian Church be a guiding beacon to all so that they truly know that God dwells within its walls.

For the Family,
