We say Good-bye to Rhonda...

It is with heavy hearts that we say good-bye to Rhonda Rankin, our church secretary. She has decided to take a full-time position in Lexington to help support her family as they prepare for their oldest to make the transition to college with another one following a few years behind. Rhonda's last day in the office is Friday, May 13th.

Please help me express all of our deepest appreciation for the care that Rhonda has shown to all of us. We thank her for her ministry with us and we celebrate her six years of service to Midway Christian Church.

Green Fund-raising

Midway Christian Church is beginning a green fund-raising project that will grow funds for our general fund while supporting our Green Chalice initiative by helping the environment through a fund-raising program from Botanical Paperworks by selling cards on plantable paper! The "special handmade paper is manufactured in the heart of Winnipeg, Manitoba. Botanical Paperworks turn this seed paper into stationery items such as calendars, notebooks and greeting cards—that make a great gift that keeps on giving! That's because after a recipient is done reading the card or using the notebook or calendar, the item can be planted to grow beautiful wildflowers."

We have brochures in the church office if you wish to purchase some of these products starting on May 8th. We will take orders for two weeks and the church receives 40% commission on all the products we sell. If you would like more information, please go to the website: www.botanicalpaperworks.com.

The church office will be closed

Monday, May 30th
in observance of
Memorial Day.

A Pastoral Word

2011 Stewardship Focus: Living Generously

We begin our 2011-2012 stewardship campaign by rejoicing and by celebrating the many blessings that fill our lives. Just take a few moments and think about the blessings that we take for granted each day. God has done so many amazing things for us as God's people and the wonderful thing is that we didn't have to do anything to earn these blessings. God wanted to share these things with us because God loves us! Sometimes it is hard to wrap our minds around this wonderful knowledge and we become overwhelmed.

The other wonderful thing about God's blessings is that God doesn't guilt us into sharing these blessings or make us share them with others. But the special thing about these blessings is that they do transform us and inspire us to be the people that God created us to be and in doing so, we want to respond generously.

That is why we are committing ourselves as God's people to live generously and to share our blessings with others.

We are asking everyone to turn in a pledge card on our Consecration Sunday, Sunday, May 22nd so that we as good stewards of the blessings that God has given us, can put together a faithful budget for our ministry opportunities for our new church year. We are also asking everyone to turn in a spiritual gift survey that matches our gifts with our talents and ministry opportunities at Midway Christian Church.

The Finance Committee knows that things change and life happens but these pledge cards are not going to be tracked throughout the year. The purpose is to help us know that we have resources for our ministries for the year. If you have any questions, please feel free to talk to me or Phil Burchell, Chair of the Finance Committee.

Prayer Hymns through the Summer...

Back in January, the church sponsored a Sunday School on how music influences our spiritually. Out of that Sunday School came the suggestion that for the prayer hymn, the church sing a simple song that repeats the words so that everyone can be centered more easily. So the worship committee is taking up this suggestion and through the summer, we will be singing the same prayer hymn for the month of May to help center us and prepare our hearts for prayer. If you have any suggestions of hymns that you would like to sing, please let Heather or Stephanie know.

Prayer Group Starting

On Monday, May 2nd, we will be starting up our prayer group again. We will meet in the sanctuary at 10 a.m. and hold all those listed on our prayer list in prayer. Please feel free to be in prayer at 10 a.m. as well if you cannot join us during that time. If you have any special prayer concerns that you would like lifted up during that time, please call the church office.

"Congregations in both the Christian Church in KY and the Christian Church in Indiana are experiencing new life and new imagination for ministry as they explore what it means to be a missional congregation. Although the word "missional" is now widely in use, we are using it out of a particular definition and context." (study guide)

During the month of May, we will be taking a look at a study guide written by Greg Alexander and Carolyn Reed to accompany the book "Introducing the Missional Church".

This study will be a part of MCC's discernment process as we talk more about the "Surfing the Edge" initiative that the region of KY has invited us to be a part of as a local congregation engaging where God is working in our communities.

To get the most benefit from this study, it would be beneficial for all participants to have their own copy of the book. We will be reviewing the Introduction and Chapter 1 of the book for our first session on Sunday May 1st.

Green Chalice

The DOC Green Chalice Program has been chosen to receive a KIPPIE Award for outstanding care for God's creation. Your organization's commitment to caring for God's creation by all that you have done with your program is exemplary and we feel worthy of recognition as witness to others in the state. ~From, Carol Devine

The Midway Green Chalice met April 19 and discuss several projects which continue to be in process. The group will meet the third Tuesday of each month. The next meeting will be May 17 at 7pm. At the next meeting we will hear from Sara Ward from Bluegrass Pride. She will discuss programs and services provided by Blue grass Pride. Everyone is invited and encouraged to attend!

Rain Barrels: Last year, the youth and adults enjoyed working together to make rain barrels using 55 gallon drums from Pepsi in Lexington. The youth sold them as a fundraising project for camps and mission trips. It was a successful project, so we plan on making more rain barrels to sell again this year.

Rain Gardens: The Midway Green Chalice hopes to partner again with the Midway Renaissance Greenspace committee to create two more rain gardens in the church yard.

Certified Kitchen: The group continues to work toward getting the kitchen certified as time and money become available. Work which needs to be completed includes painting and adding faucet, light covers or approved light bulbs and utility sink. Policies for use of the certified kitchen will need to be developed.

Bike Racks: This is another partnership project with the Midway Renaissance Greenspace committee. We are working together to get bike racks around town, including one for our church property.

Recycling: The group, along with the youth, plans to tour the recycling plant in Lexington to learn about the process and machinery used to sort the recyclables.
