The "Four Walls" Fund

The Trustees would like to thank Burnie Wall for his very generous contributions to the Capital Fund. Most of you know that Burnie spent many years caring for everything within the "four walls" of our building, so it was especially fitting to rename the Capital Fund for four members of the Wall family: Burnie Wall, Mayme Wall, Spencer Wall, and Ashley Wall DeFavero. The Four Walls Fund was dedicated on October 23rd on Heritage Sunday.

Sunday School

During November, we will continue taking a look at Reggie McNeal's book: The Present Future.

This book will continue the conversation we started as part of the Surfing the Edge process and will help give us some more language to use when we are discussing the Missional Church.

All Saint's Day is November 6th

On Sunday, November 6, we will have a special time in our worship service when we will remember and honor those in our church and our families who have passed away since this time last year. Everyone who would like to add a loved one's name to our list of saints, please share the name or names with the church office by Wednesday, November 2nd.

Hanging of the Greens

On Sunday, November 27, we will celebrate the first Sunday of Advent with our Hanging of the Greens during our morning worship service. This is our opportunity to prepare the sanctuary for the Advent season and to hear the story of why we use the decorations we do.

A Pastoral Word

"The darkness of the world cannot extinguish the light of a single candle" (Saint Francis of Assisi)

"The people who walked in darkness have seen a great light; those who lived in a land of deep darkness—on them light has shined." Isaiah 9:2

This Advent Season, the prophet Isaiah and the beloved church father, St. Francis of Assisi will be our guides for our journey to Bethlehem. Why these two people? Well, each one, in their own unique way, trusted in God's promises given to God's people in the past, while living hopefully in their present time, and faithfully awaited a future time when God would come and restore God's people once more. Exactly what we do as people of faith each and every Advent!

So here is a little bit of background on our two guides so that we get to know their stories and feel more comfortable with them as they journey with us, inviting us to open our eyes to the light of God that is shining in our midst.

The prophet Isaiah lived in uncertain times. King Uzziah had just died which meant an end to an era of relative peace and good times in Judah. Once the king died, it left the door open for the nation of Judah to join the conversation with other world powers on just exactly how to prevent a takeover by the Assyrians, who were conquering and plundering all the countries along their way as they became THE world power at the time. And it wasn't just outside forces that had the nation of Judah living in fear. Internally, leadership among the nation of Judah was lacking in all aspects of community life. The new king was not faithful to God. The temple only cared about rules and regulations. And the people were scared. The people were in a great darkness. So for Isaiah, his job as a prophet of the Lord was to remind the people that God had given them a promise for a Messiah that would come from the line of David, and that God had not abandoned God's people. Isaiah was lifted up as a prophet to proclaim to the people of God that the "Lord will act to save, to redeem, and to transform" (The New Interpreter's Bible Commentary), the same themes that we are reminded of on our Advent journeys.

As for our other guide, St. Francis of Assisi, he started out life as the son of an Italian merchant, living very comfortably and enjoying all the "perks." The story goes that St. Francis received a vision from God to build up the church and from that moment on, Francis embraced a life of radical discipleship. "Christ's birth greatly influenced Francis' understanding of what it meant to be a follower of Christ. For Francis, to live the life of a disciple of Christ meant that one had to embrace the poverty and humility of Christ as made manifest in Christ's own birth." (Advent devotional).

St. Francis is also credited for creating the first known nativity scene. "He desired to enter into the sights, smells, and sounds of the scene so that he could gain a more accurate sense of the real significance of the birth of Christ. In this "new Bethlehem," Francis could grapple with how the infinite God, in an unfathomable act of love, had taken on our human condition as a vulnerable baby born amidst animals and laid in a manger" (Advent devotional), the very same thing we grapple with as we make our way to Bethlehem each Advent season

Two guides, from very different time periods, both people of faith. Each one of our guides during the Advent Season will remind us that there is a Light for Our Darkness!

So we invite everyone to join us on Sunday, November 27th, as we begin our journey to Bethlehem with Isaiah and St. Francis of Assisi as our guides.

November Mission: Collecting Items To Fill Christmas Stockings

MCC will be collecting items to fill stockings for children of inmates. These stockings will be given to the children as they leave the jail after visiting their family member on the week before Christmas. The chaplaincy office of the division of community corrections hopes to fill 250 stockings with non-gender items because the officers cannot know how many boys or girls will come on any night. Items needed are: small toys, books, coloring books, crayons, mittens, stretch hats, packaged snacks, candy bars and stuffed animals. All items must be in to the church by **Sunday, November 13th**.

Heifer Ark Project

Last year, Midway Christian, as part of our Advent celebration, raised money for a gift ark (livestock to poor villages) through the Heifer Project. We will be collecting money throughout our church year for our ark. This way, if you want to give the ark as part of birthday presents, anniversary presents, or simply just because (special gift cards are available), you can do so by making your checks out to Midway Christian Church with "Heifer Ark" in the memo.

November Mission Payments

Their staff includes caseworkers, job developers, ESL teachers, and interpreters. They speak English, Spanish, Bosnian, French, Nepali, Somali, Arabic, and German, and also work closely with contract interpreters who speak other languages native to the refugees they serve.

National Council of Churches

Since its founding in 1950, the National Council of the Churches of Christ in the USA has been the leading force for ecumenical cooperation among Christians in the United States. The NCC's member faith groups—from a wide spectrum of Protestant, Anglican, Orthodox, Evangelical, historic African American and Living Peace churches—include 45 million persons in more than 100,000 local congregations in communities across the nation.

Shared Stories - Shared Lives

"Over the past year, all of the acceptance, kindness, and prayers every Sunday when I came to church... the palpable faith and generous spirit of everyone renews me and reinvigorates my hope and faith. I will be forever thankful that God led me to this church and the family therein."

"When we got married here and were embraced as a couple by the congregation... when Grandmom (Ruth) Roach died and the entire church community was there to show our family love, compassion, and support. Today! When we were blessed to have the church community here to welcome baby Parrish with warm hearts and open arms!"

"My favorite time with this church are when all the kids get together and share good times, and faith, and usually dinner, and we just get to be together and have fun. I love times when we get to just share our lives—our good memories and our bad—and not be judged, and getting help with everything and helping others with everything."

1986 Fall: "I remember when I was a young, single parent with two small boys and Burnie Wall sat on the swing on the porch of my house on Elkhorn Creek. He shared his story of recovery from the loss of his wife, and bringing up his two small children."

1988 April: "I remember being married to Adele by Rev. Roy Robertson on the breezeway of the courtyard. It was 9:00 a.m. Monday morning, with a light rain, and roosters crowed in the distance down the railroad track as the service ended."

Surfing the Edge: Congregational 360

Starting in November, the Guiding Team will have opportunities for all the members of Midway Christian Church to go on line and fill out a survey as part of our Congregational 360.

What is the Congregational 360?

"It's a tool to initiate a process of dialogue across the church about how people see their church in terms of readiness to **create some fresh expressions of mission in their communities and neighbourhoods.**" (www.roxbourghmissional.net) One of the main reasons why the Guiding Team is asking everyone to participate in this is because we believe that the Spirit of God is among the people of God. The Congregation 360 is a tool that will invite everyone to participate in holy conversations about how they view Midway Christian Church's readiness to be a missional church.

The 360 invites people to self identify in a series of five or six different 'rater groups' (for example: Staff, Board, Members of X years, Non-Members, Male-Female etc). What people discover is that different rater groups respond in varying ways to questions about the church's readiness for missional life. This creates a wonderful space for dialogue that always **results in new energy across the church** and becomes the **doorway to talking with one another about fresh experiments** they might develop in their neighborhoods and communities.

Who does the 360?

Everyone is invited to complete it. This creates an environment of interest and ownership across the church. People become invested in wanting to know how others responded and this, in turn, creates a space where people feel free to talk with one another about the church deepening each others awareness and understanding of who they are as a people.

What does the 360 offer a congregation?

A snapshot of the local church showing how different groups are reading its readiness for mission and change.

A way of learning how to listen to the Spirit among the people.

Church-wide conversations about how God is inviting people to imagine missional life in your context.

The basis for discerning the places to initiate "experiments" in missional transformation.
