Stewardship Sunday - May 22nd

Together, we give to financially support the ministries and programs that help build up the Kingdom of God in our community and in our world. How much money is spent? How is it spent?

The narrative of who we are as a church unfolds in Scripture, in the life of Jesus, and in the world. We live out this story in many ways, including through the seven Christian Practices of: Worship, Education, Love, Community, Open Table, Mission, and Evangelism.

These practices give us sacred containers within which we can place our financial resources so that this congregation will be able to offer ministry and programming as we continue to live out God's transforming love in so many faith-filled ways.

The Admin Team is asking everyone to prayerfully consider how we will respond with our pledge cards to our mission and story of WELCOME on Stewardship Sunday, May 22, 2016, as we estimate our giving for the coming year.

Worship Service at The Homeplace

Sunday, May 22nd, 2:00 p.m.

Please join us at the Homeplace to worship with the residents.

MCC is in charge of worship at the Homeplace on the fourth Sunday of the odd-numbered months.

Church Business

Friends of the Handbells Needed

The Admin Team is hoping to find 25 more people to donate \$100 each toward the refurbishment of the handbells. The MCC Handbell Choir adds such a richness to our services during the Advent and Lent seasons, plus it affords some non-singing members an opportunity to participate in the music of the church! We were very fortunate to be able to purchase these handbells, and we cannot let them wear out! If you can help by being a "Friend of the Handbells," please make your check to MCC with "Handbells" in the memo line. Thank you!

Nominating Time

The positions of elders, deacons, and church officers are very important roles of leadership in our church, so **if you have any suggestions** for who would be good in these positions, please see Shirley Eckels or Heather McColl. New officers begin their terms on July 1st.

Electronic Giving Cards

You may notice something new in the pews. They are electronic giving cards. It is important for people to participate in the act of giving their offering as an act of worship. But when they choose to give their gift via electronic means, it means that they lose the opportunity to place their gift in the offering plate. By providing people with this card, we are inviting all to participate in the corporate act of sharing our tithes and offerings. We will also be sending a few of the cards to people who elect to use the EFT option along with a letter that explains both the use and purpose of the cards. If you have any interest in giving to the church electronically, please call the office.
