Update on Roof and Leak in the Sanctuary:

A roofer came in November and completed the repairs on the two towers. Bob Settlemire checked on the repairs a few weeks later, after we had received some rain. He used a moisture detector and found that the various spots were in the normal moisture range. The next step in the process is contacting a painter to repair the drywall and to paint the damaged areas in the sanctuary. Thank you to Dan Roller and Bob Settlemire for sharing your time and talents on this project. WE greatly appreciate it!

Sanctuary Open for Prayer

We will open the MCC sanctuary on Wednesdays for those of you who would like to come into the worship space for personal prayer.

Please call or email the office to request a time.
